Apialia Product: Josep's house is located in the Vizcondado de Cabanyes urbanization, but upon entering his 2284m² plot, we could easily think we are in the middle of a rural environment. The house is surrounded by native trees, olive trees, and countryside, with beautiful views of Les Gavarres. It is a special house, initially conceived as a weekend home and for leisure time; over the years, it has expanded to its current layout. On the second floor, accessed by an external staircase, there is a large suite with built-in wardrobes and a full bathroom. The house has air conditioning in all rooms. The style of this house is cabin-like inside, with wood predominating. Its spacious terrace stands out with a large awning to enjoy outdoor meals and days by the beautiful pool.
